International Credit Union Day – October 15, 2020

The theme of this year’s ICU Day is “Aspiring Hope for a Global Community.” To build on that theme, we wanted to bring our members together to do something good as a whole! For the month of October, we will be collecting monetary donations, as well as “Jared Boxes,” for *The Jared Box Project*. *The Jared Box Project* started in 2001 after a 5-year-old named Jared passed away from an incurable brain tumor. He was a brave little boy who battled cancer with courage and faith, and demonstrated wisdom and compassion for others. Jared maintained his sense of humor and the joys of childhood through play. He carried a backpack full of toys and games to all appointments, and questioned why the other children didn’t bring toys to their exam rooms. He shared his toys and invited the other children to join him. Jared’s battle ended on November 12, 2000.

Our goal is to assemble as many Jared Boxes as we can! “A Jared Box is a plastic shoe-sized storage box filled with small gifts, toys, games, crayons, coloring books and fun activities. Each box contains items selected for a specific age and gender. The boxes are given to children in the hospital to provide a special, fun diversion. The boxes symbolize the importance of play and are filled with well wishes, hope and love.” We will push this on social media – for every “Facebook Page Like” we receive in October, we will donate \$1 to *The Jared Box Project* (up to \$1,000). You can donate at any of our offices, or by liking our Facebook page if you haven’t already. If you already like our page, invite your friends and family to do so. You can also support this great cause by assembling a Jared Box yourself! **Stop at any of our offices and pick up a box.** Instructions and suggested toy lists will be included. All boxes will be donated to local Penn Highlands hospitals. Let’s come together and show everyone the impact Priority First can make on the lives in our community! 50th Act of Kindness Plaque

For our 50th and final Act of Kindness, we wanted to recognize the people that had a hand in making Priority First FCU what it is today. So, we created a plaque that is hanging in the Brockway office for our current and future members to see. With this plaque, we recognize the first 50 Members of Priority First Federal Credit Union that remained Members during our 50 years of service. We are so thankful for their outstanding loyalty and support throughout the years!
