207 Jared Boxes for Penn Highlands Healthcare!

The theme of this year's International Credit Union Day was, "Inspiring hope for a global community." As we brainstormed ideas, we came across the perfect organization to support, *The Jared Box Project*. *The Jared Box Project* is an organization that collects shoebox-sized totes full of toys to give to kids in hospitals. During the month of October, we supplied our members with empty boxes and they filled them up with toys for kids of different ages. After collecting Jared Boxes for a little over a month, we were able to donate 207 boxes to Penn Highlands Healthcare! We could not have done this without our generous members, employees and community. Because we came together for such a great cause, 207 children will be receiving a box full of toys while they are in the hospital. This is what being a Priority First Federal Credit Union member is all about!
