

New & Improved VISA Debit Card!

ACTIVATE NEW CARD

Call the number on the sticker to activate your new card when you receive it. While activating, you will also be prompted to select a new PIN.

DESTROY YOUR OLD CARD

Please destroy your old card and begin using your new card, as soon as possible. Your old card will stop working on 10/20/21.

SWITCH

Remember to switch automatic payments with your NEW card number.

Q. What is contactless payment?

It's easy, just tap or hold your new card near the checkout terminal to process your purchase. You can also store your debit card in a digital wallet for fast, easy and secure payments.

Q. Will I get a new card number?

Yes! Also, at the time of activation you will be prompted to select a new PIN.

Q. How will I get online access to my new account?

You will have access to your debit card account through online banking and the mobile app.

Q. Will the alerts I have setup convert to my new card?

Unfortunately, they will not. However, we will be offering new updated alert options - stay tuned for updates! In the case of any suspected fraud, you will see the following number on your caller ID: (888-918-7313).
