Fraud Awareness: Spot the "Red Flags"

Fraud can be tricky, but there are telltale signs to help you stay safe. Here are some common "red flags" to watch out for:

- **Unsolicited Contact:** Beware of unexpected requests for personal info or payments.
- **Urgency:** Scammers often pressure you to act fast.
- **Too Good to Be True:** High returns with no risk are usually scams.
- **Suspicious URLs/Emails:** Look for misspellings or mismatched domains.
- **Poor Grammar:** Scams often have errors in spelling or language.
- **Avoiding Questions:** Legitimate businesses always answer your questions.

Another way to stay safe from fraud is by **regularly updating your IDs and passwords**. Keeping them up-to-date and secure is essential for protecting your account and personal information.

2024 Reality Fairs

We want to thank all the volunteers who contributed their time to the Brockway, Brookville, DuBois, Punxsutawney, and Jeff Tech Reality Fairs. Their support was greatly appreciated and helped make these events a success! At these fairs, students visited various stations that simulated real-life financial decisions, such as budgeting, saving, and managing expenses. Each station covered different aspects of adult life, helping them understand how to make smart financial choices and prepare them for the future.

2024 Scholarship Recipients

In May, we awarded scholarships to 11 deserving High School, College, and Trade School students, including the recipient of the Charles Black Scholarship, a cherished tradition from KGC Credit Union. We're excited to celebrate our 2024 recipients and their outstanding achievements. With many impressive applicants, the selection process was highly competitive. We proudly recognize these 11 individuals for their dedication and hard work. Join us in congratulating them as they embark on their next exciting journey!
