FINANCIAL REALITY FAIR SUCCESS & WHAT'S NEXT!

This school year, we have successfully hosted three Financial Reality Fairs at Brookville, Brockway, and Punxsutawney High Schools, and we're excited to continue the momentum with three more at DuBois, Jeff Tech, and Keystone High Schools.

A huge thank you to all our amazing volunteers—your dedication makes this event possible! These fairs provide students with valuable hands-on financial education, helping them navigate real-world budgeting and decision-making. We're proud to be a part of shaping their financial futures and look forward to bringing this experience to even more students!
