2025 REALITY FAIRS

We want to thank all the volunteers who contributed their time to the Brockway, Brookville, DuBois, Punxsutawney, Knox, and Jeff Tech Reality Fairs. Their support was greatly appreciated and helped make these events a success! At these fairs, students visited various stations that simulated real-life financial decisions, such as budgeting, saving, and managing expenses. Each station covered different aspects of adult life, helping them understand how to make smart financial choices and prepare them for the future.

2025 SCHOLARSHIP RECIPIENTS

In May, we awarded scholarships to 10 deserving High School, College, and Trade School students, including the recipient of the Charles Black Scholarship, a cherished tradition from KGC Credit Union. We're excited to celebrate our 2025 recipients and their outstanding achievements. With many impressive applicants, the selection process was highly competitive. We proudly recognize these 10 individuals for their dedication and hard work. Join us in congratulating them as they embark on their next exciting journey!
