2026 REALITY FAIRS

We would like to thank all of the volunteers who dedicated their time to the Brockway, Brookville, DuBois, Punxsutawney, Knox, and Jeff Tech Reality Fairs this past school year. Their support was greatly appreciated and helped make these events a success!

At each Reality Fair, students visited a variety of stations that simulated real-life financial decisions, including budgeting, saving, housing, transportation, and managing everyday expenses. Each station represented a different aspect of adult life, helping students gain valuable financial knowledge, make informed decisions, and better prepare for their future.
