BUILDING FOR THE FUTURE IN INDIANA!

Exciting things are happening at Priority First FCU! We are pleased to announce that construction is officially underway on our new Indiana branch building!

On September 16, we celebrated this exciting milestone with a groundbreaking ceremony, marking the beginning of a new chapter for our Indiana office. This project represents our continued commitment to investing in the communities we serve and providing our members with the personalized, local service they know and trust.

Our new Indiana office will provide a welcoming space where members can continue to receive the financial products, services, and support they need to reach their goals. While our location may be changing, our dedication to our members and the Indiana community remains the same.

We are excited to watch this project take shape and look forward to sharing updates as construction progresses. Thank you to our members for your continued support. We can't wait to welcome you to our new Indiana office!
